TREE PRESERVATION PLAN SUBMITTAL REQUIREMENTS

TREE PRESERVATION PLAN REQUIREMENTS USING AN ON THE GROUND SURVEY:

1. Location of all existing or proposed structures; improvements, such as streets, alleyways, etc.; and site uses properly dimensioned and referenced to property lines, setbacks, and yard requirements.
 2. Date; scale; north point; and the names, addresses, and telephone numbers of both property owner(s) and the person preparing the tree preservation and removal plan. Provide revision number if applicable.
 3. Location of existing and proposed utility easements and drainage easements on the entire lot.
 4. Survey locating Protected and Heritage trees on the site. A plan identifying the building footprint, buildable area, easements, rights-of-way, setbacks, property lines, and all protected sized trees shall be submitted. Designate all Protected and Heritage trees to remain by a circle and all Protected and Heritage trees to be removed with a triangle. Each Protected and Heritage tree shall be numbered, referencing a legend specifying the caliper, common name, and whether it is to be saved or removed.
 5. Tree protection notes, details, and specifications that include written and graphical information describing acceptable and unacceptable activities on the site and within the tree preservation areas.
 6. Preservation rate required is 40% of total Protected inches onsite for Large and Small Species; 60% for Heritage; and 80% for all protected and heritage trees in a 100 year floodplain.
 7. The applicant shall submit three (3) sets of tree preservation plans for approval. A stamped, approved copy shall be onsite at all times for review.
-

OPTIONAL TREE PRESERVATION PLAN USING AERIAL PHOTOGRAPHY:

Tree stand delineation may replace the on-the-ground survey at the sole discretion of the City Arborist. If allowed the tree stand delineation plans shall include:

1. A current aerial photograph of the tract with the proposed development overlaid onto the aerial photograph. All Protected and Heritage tree areas / tree stands to be preserved shall be outlined. Any Heritage trees to be removed shall be located on the ground, tagged, numbered, and shown on plan. Tree stand delineation plans that cannot be plotted on a single sheet shall be plotted with appropriate match lines on two (2) or more sheets.
 2. The location of property lines and the location and widths of existing and proposed streets, alleys, utility easements, driveways, parkways, and sidewalks on or adjacent to the project shall be depicted on the plan.
-

GENERAL INFORMATION:

An application for a tree preservation and removal permit will not be considered to be filed until the following is submitted to the City Arborist through the Development Services office:

1. A completed application
2. An application fee
3. Any additional monies deemed by the City Administrator to be necessary to recover all of the City's costs for the services of the City Arborist or other contract professionals for review of the application

**BEXAR COUNTY
PUBLIC WORKS DEPARTMENT**

ORDER authorizing the approval of a City-County Interlocal Agreement with the City of Helotes for platting and building permits within the Helotes Extra Territorial Jurisdiction (ETJ) in accordance with Local Government Code 242.

PASSED THIS 16th DAY OF September, 2014.

STATE OF TEXAS

§

§ KNOW ALL MEN BY THESE PRESENTS

§

COUNTY OF BEXAR

§

**INTERLOCAL AGREEMENT FOR REGULATION OF SUBDIVISIONS IN
EXTRATERRITORIAL JURISDICTION**

This City-County Interlocal Agreement ("Agreement") for the regulation of subdivisions, in the Extraterritorial Jurisdiction ("ETJ") of the City of Helotes is entered into by and between the **CITY OF HELOTES**, a Type-A General Law municipality situated within Bexar County, Texas, hereinafter referred to as "CITY", and the **COUNTY OF BEXAR**, a political subdivision of the State of Texas, hereinafter referred to as "COUNTY", acting pursuant to the authority granted by the Interlocal Cooperation Act, TEXAS GOVERNMENT CODE, Chapter 791, and the TEXAS LOCAL GOVERNMENT CODE, Chapter 242.

WITNESSETH

WHEREAS, both the CITY and COUNTY ("Parties") operate systems designed to review subdivision plats and structures, and inspect streets, drains and structures, as authorized under applicable State Law; and

WHEREAS, Chapter 242 of the Texas Local Government Code requires that the CITY and COUNTY enter into a written agreement pertaining to regulation of subdivisions in the Extraterritorial Jurisdiction ("ETJ") of the CITY; and

WHEREAS, the governing bodies of the CITY and COUNTY believe it is in the best interest of both entities and the development community to combine their respective procedures into one seamless operation with each retaining certain responsibilities, as hereinafter provided in this Agreement; and

WHEREAS, the governing bodies of the CITY and COUNTY believe it is in the best interest of both entities to regulate the flood plain in accordance with the Interlocal Agreement between the City of San Antonio, the COUNTY, and the San Antonio River Authority establishing the Regional Flood Control, Drainage, and Storm Water Management Program.

NOW, THEREFORE, in order to carry out the intent of the Parties, as expressed above and for and in consideration of the mutual promises and covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged by both Parties, the Parties agree as follows:

ARTICLE I
PURPOSE

- 1.01 The purpose of this Agreement is to establish and clarify each Party's obligations, costs, and the manner and method of approving and/or completing subdivision plats, structure reviews, permitting and inspections and streets and drain inspections, for real property located within those portions of the unincorporated areas of Bexar County, Texas and located within the ETJ of the CITY.
- 1.02 The ETJ of the CITY may fluctuate from time-to-time during the term of this Agreement as a result of City Council action. CITY agrees to notify COUNTY in writing within ten (10) business days of any and all City Council action that changes the ETJ boundaries during the term of this Agreement, thereby affecting the applicable procedures outlined in this Agreement within the boundaries of the COUNTY.

ARTICLE II
TERM

- 2.01 The initial term of this Agreement shall be from the date of execution of this Agreement, with a termination date of September 30, 2015. Thereafter, the Parties shall renew the Agreement on an annual basis beginning October 1, 2015. The yearly renewal shall be automatic upon the expiration of the preceding one (1) year term, unless one of the Parties gives the other Party written notice of its desire not to renew the Agreement at least ninety (90) days prior to the expiration of the then current term.

ARTICLE III
APPLICABLE PROCEDURES

- 3.01 **Subdivision Platting.** CITY and COUNTY agree that subdivision platting in the ETJ will be in accordance with the standards contained in the City of San Antonio's Unified Development Code ("UDC"), Chapter 35 of the City Code of San Antonio, Texas, unless stipulated otherwise in this Agreement.
- 3.02 **Subdivision Platting.** CITY and COUNTY agree that the CITY will act as the public's point-of-contact for receipt of all platting and for the collection of all required fees, including, but not limited to, plat application and recordation fees. The CITY will accept both CITY and COUNTY fees and reimburse the COUNTY its fees on a monthly basis. COUNTY agrees to provide CITY a copy of the COUNTY fee schedule and, if applicable, any revisions to the COUNTY fee schedule within ten (10) days of COUNTY approval. COUNTY shall have exclusive control over subdivision platting in the ETJ as specified in sections 3.03, 3.04 and 3.05.
- 3.03 **Subdivision Platting.** COUNTY agrees to complete its review of platting applications in accordance with standards set forth in the UDC. If additional information or materials are needed from the Applicant, the COUNTY shall render the submittal incomplete in accordance with UDC procedures.

- 3.04 Subdivision Platting.** After an applicant receives Letters of Certification from each certifying agency, the CITY shall conduct a completeness review of submitted documents and, if complete, shall forward to COUNTY a copy of the complete subdivision plat application for consideration by the COUNTY Commissioner's Court.
- 3.05 Subdivision Platting.** COUNTY shall proceed with subdivision plat review in accordance with the standards set forth in the UDC. A variance to the standards, if requested by applicant, must be approved by the COUNTY.
- 3.06 Subdivision Platting.** Except as specifically provided by paragraphs 3.08, 3.09, and 3.10 of this Agreement, if a conflict exists between the UDC and COUNTY regulations, the more stringent regulations shall control. In the event the UDC is proposed to be amended, the COUNTY agrees to provide the CITY with a copy of the proposed amendments at least thirty (30) days prior to amendment submittal to the City Council of the City of San Antonio for approval.
- 3.07 Building Permits, Fire Protection System Permits, and Certificates of Compliance.**
- (a) CITY and COUNTY agree that commercial building and fire protection system permitting in the ETJ will be in accordance with the standards and procedures contained in TEXAS LOCAL GOVERNMENT CODE ("TLGC"), Title 7, Chapter 233, Subchapter C, Section 233.061 et. seq., except as outlined herein, for new construction or substantial improvement (as those terms are defined by TLGC Section 233.0615) of commercial developments, public buildings, and multifamily developments with 4 or more residential dwelling units contained within a single structure, to exclude industrial facilities with fire brigades following Occupational Safety and Health Administration procedures and standards (hereafter referred to collectively as "Commercial Developments"). CITY and COUNTY further agree that commercial building and fire protection system permitting in the ETJ will be in accordance with the standards contained in the most recent International Code Series adopted by COUNTY and the National Fire Protection Association (NFPA) Standards. For purposes of this Agreement, commercial building and fire protection system permitting shall include, but not be limited to, the following:
- Fire Code compliance for the occupancy being proposed;
 - Structural framing and fire stopping inspections with emphasis on fire resistance and / or fire separation requirements;
 - Electrical rough-in; and
 - HVAC rough-in.

COUNTY will be responsible for building and fire protection system permitting in the ETJ for all Commercial Developments. Inspection of such Commercial Developments will be conducted by the COUNTY.

(b) CITY will be responsible for building and fire protection system permitting in the ETJ for all residential dwelling units with three (3) or fewer units contained within a single structure. Inspection of such residential units will be conducted by the CITY.

- 3.08 Manufactured Housing and On-Site Sewage.** COUNTY shall have exclusive control over the formulation and enforcement of regulations pertaining to manufactured housing in the ETJ of the CITY and all on-site sewage facility licensing within the CITY's corporate limits and ETJ. COUNTY shall accept fees and administer all activities related to manufactured housing in the CITY's ETJ and on-site sewage facility licensing within the CITY's corporate limits and ETJ.
- 3.09 Street Construction.** With regard to street construction regulations, the CITY and COUNTY hereby acknowledge and recognize that fundamental differences exist between the requirements for streets in densely populated areas within the CITY and less populated areas of the COUNTY. COUNTY shall assume sole responsibility for compliance with this section and shall use COUNTY street design standards, which do not require sidewalks or streetlights, for development of residential areas with less than two (2) units per acre.
- 3.10 Flood Control, Drainage, and Storm Water Runoff.** The CITY and COUNTY agree that the standards and administration of regulations pertaining to flood control, drainage, and storm water management within the CITY's ETJ shall be in accordance with the Interlocal Agreement between the City of San Antonio, the COUNTY, and the San Antonio River Authority establishing the Bexar Regional Watershed Management Program and Chapter 34 *Environment*, Article IV. *Stormwater Detention and Drainage* of the CITY Code of Ordinances. COUNTY will be responsible for floodplain management, flood control, drainage, and storm water management plan approval and permitting in the ETJ. CITY will forward their comments for all flood control, drainage, and storm water runoff plans received for projects within the ETJ to the COUNTY staff who will consolidate the "red-line" review reply into a single review that is sent to the developer/engineer.
- 3.11 Recording the Plat.** Upon completion of all formal approvals, the COUNTY shall be responsible for recording the Plat with the County Clerk's Office.
- 3.12 Master Development Plans.** CITY shall be responsible for Master Development Plan (MDP), if applicable, approval and permitting in the ETJ. CITY will forward for review and comment all MDPs received for projects within the ETJ to the COUNTY. COUNTY will send comments to CITY staff who will consolidate the red-line review reply into a single review that is sent to the developer/engineer.
- 3.13 Traffic Impact Analyses.** CITY will be responsible for Traffic Impact Analysis (TIA) review and approval. CITY will forward for review and comment all TIAs received for projects within the ETJ to the COUNTY. COUNTY will send comments to CITY staff who will consolidate the red-line review reply into a single review that is sent to the developer/engineer.
- 3.14 Performance and Warranty Bonds.** COUNTY will be responsible for performance and warranty bond submission, receipt, posting, handling, and release. COUNTY will

forward a copy of performance bonds for plats within the ETJ to the CITY. The COUNTY shall require the subdivider to provide a Corporate Surety Bond, Irrevocable Letter of Credit, or Escrow Agreement, in an amount determined by the COUNTY to be suitable and required for the proper completion of roads, drainage facilities, and utility (water and sewer) facilities, as applicable, within subdivisions involving said infrastructure. The surety shall be executed by a surety company authorized to do business in the State of Texas and shall be made payable to CITY and COUNTY. The Irrevocable Letter of Credit or Escrow Agreement shall name the CITY and COUNTY as payees and/or beneficiaries. The condition of the bond, letter of credit, or escrow agreement shall be that the subdivider will construct the roads or streets, drainage facilities, and utility facilities of such subdivision within one (1) year from receiving approval to begin construction or warranty period. The time period for construction may be extended upon written agreement of the subdivider and the COUNTY. The full amount of the bond or letter of credit shall remain in force until the road construction or infrastructure is completed and approved and/or accepted by the COUNTY.

- 3.15 **Street Reviews.** COUNTY will be responsible for street reviews within the ETJ. CITY will forward their comments for all street reviews received within the ETJ to COUNTY staff who will consolidate the red-line review reply into a single review that is sent to the developer/engineer.
- 3.16 **Subdivision Platting Inspections.** Subdivision platting inspections within the ETJ will be conducted by COUNTY. During the final inspection, CITY and COUNTY inspectors may jointly inspect the subdivision; however, final approval of the subdivision platting is reserved by the COUNTY.
- 3.17 **Monthly Coordination Meetings.** COUNTY and CITY will hold monthly coordination meetings, as needed, to discuss and resolve any issues arising from reviews within the ETJ if projects have been submitted and are in the review/inspection phases of processing.
- 3.18 The CITY and COUNTY shall allow both party inspectors unfettered access to construction sites of subdivisions within the ETJ and the COUNTY shall, if requested by CITY, timely submit copies of all materials and constructions test results to the CITY during road construction, drainage facilities construction, and utility facilities construction. The CITY may request the COUNTY order the halting of all construction if the applicable standards are not being met.

ARTICLE IV **CONSIDERATION**

- 4.01 The CITY and COUNTY agree and understand that each shall be responsible for its own costs and expenses necessary to fulfill its responsibilities under this Agreement. All

payments for obligations provided by this Agreement shall be made from current funds available to the paying party.

ARTICLE V
TEXAS LAW TO APPLY

- 5.01** This Agreement shall be construed under and in accordance with the laws of the State of Texas, and all obligations of the Parties created hereunder are performable in Bexar County, Texas.

ARTICLE VI
LEGAL CONSTRUCTION

- 6.01** In case any one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provisions thereof and this Agreement shall be construed as if such invalid, illegal, or unenforceable provision had never been contained herein.

ARTICLE VII
AMENDMENTS

- 7.01** No amendment, modification, or alteration of the terms hereof shall be binding unless in writing, dated subsequent to the date of this Agreement, and duly authorized by the governing bodies of the CITY and the COUNTY. No official, agent, employee or representative of the CITY or COUNTY has the authority to alter, amend, or modify the provisions hereof except in the exclusive manner set forth herein.

ARTICLE VIII
LIASIONS AND NOTICES

- 8.01** Unless written notification by the COUNTY to the contrary is received by CITY, the Executive Director of the Infrastructure Services Department shall be the designated representative of the COUNTY responsible for the management of this Agreement.
- 8.02** Unless written notification by the CITY to the contrary is received by COUNTY, the Development Services Specialist, under the direction of the City Administrator, shall be the designated representative of the CITY responsible for management of this Agreement.
- 8.03** Communications between CITY and COUNTY shall be directed to the designated representatives of each as set forth above.
- 8.04** For purposes of this Agreement, all official communications and notices among the parties shall be deemed sufficient if in writing and hand delivered or mailed, registered or certified mail, postage prepaid, to the addresses set forth below:
